

Stud Service Agreement

Owner of Stud: _____ Owner of Bitch: _____

Stud: _____ Bitch: _____

In consideration of the mating of the above dogs the following agreement is made:

Prepaid non-refundable fee:

Owner of the bitch agrees to pay _____ for a successful mating of the two dogs.
(Pregnancy is not guaranteed)

Stud fee based on birth:

Following the birth and survival of at least four (4) pups, the owner of the bitch will pay a fee of _____. If less than four pups are born or survive, the fee will be _____ per pup. This fee is due prior to litter registration signing by the owner of the stud. The fee is separate from the prepaid non-refundable fee.

The owner of the stud is expected and required to monitor each mating and exercise reasonable care of the bitch while she is in his sole custody. The owner of the bitch releases the stud owner from responsibility for illness or injury to the bitch, unless resulting from negligence on the part of the stud owner. The owner of the stud is authorized to use good judgment in seeking necessary medical care for the bitch while she is in his custody. If such medical care is necessary the stud owner will be reimbursed.
